## ✈ Skills

Soil & Water Testing Crop Production & Protection Extension Activities & Farmer Training MS Office (Word, Excel, PowerPoint) Communication & Teamwork Report Preparation & Data Analysis

## ♥ Interests

Gardening, Reading, Travelling, Playing cricket

## 🗣 Languages

Hindi, english

## 🎯 Objective

To build a career in the agriculture sector by applying my knowledge of crop production, soil health, and modern farming practices, while learning and contributing to the growth of the organization.

## 🎓 Education

○ Mahatma Gandhi Kashi Vidyapeeth 2025  
Bachelor of science in agriculture (B.Sc agriculture)  
7.7 OGPA out of 10

## 🚀 Projects

○ RAWE (Rural Agricultural Work Experience Programme)  
Conducted farmer household surveys to study socio-economic conditions.

Gained hands-on experience in crop production, seed treatment, soil sampling, and fertilizer application.

Assisted farmers in managing pests, diseases, and irrigation practices.

Organized field demonstrations and awareness programmes on improved farming technologies.

Developed communication and extension skills through direct interaction with farmers.
