## Professional Summary

Experienced agriculture professional with practical expertise in plantation supervision, crop monitoring, and operational logistics. Skilled in managing field teams, tracking crop health, and coordinating with stakeholders to ensure efficient farm-to-harvest operations. Currently seeking a career opportunity to apply my agronomic knowledge and field management skills in a growth-oriented agricultural organization.

## Key Skills & Competencies

- Field & Crop Operations
- Agronomy & Quality Control
- Logistics & Inventory Management
- Tools & Technical Proficiency
- Microsoft Excel, Word, PowerPoint
- Interpersonal & Communication Skills

## Experiences

### Assistant Field Officer

*Harrisons Malayalam Ltd, Konni, Pathanamthitta, Kerala*

January 2024 – Present

- Supervised workforce operations and crop monitoring across **60 hectares of rubber fields**, improving planting efficiency by **25%** and achieving **98% accuracy in harvest scheduling**.
- Conducted daily inspections to ensure **tapping quality, tree health**, and **95% compliance** with productivity targets.
- Maintained accurate field data and submitted **100% on-time operational reports** to support plantation-level decision-making.
- Directed end-to-end inventory management of materials, reducing **waste by 20%** and improving resource availability.
- Monitored soil health, nutrient levels, and early signs of pests/diseases, leading to **15% increase in yield quality** while maintaining **100% compliance with agronomic standards**.

- Managed logistics and dispatch operations with a **98% on-time delivery rate**, ensuring smooth movement of field outputs and supplies.

## Junior Project Fellow

*Institute of Forest Genetics and Tree Breeding (IFGTB), Coimbatore*

September 2023 – January 2024

- Worked on the AICRP on Bamboo, supporting field trials and Nursey monitoring.
- Collected field data and contributed to research on soil, plant growth, and pest management.
- Assisted in preparing technical reports and maintaining organized documentation.

## Soft Skills
