

THIRUVARULNITHI G

Sugarcane Officer

PROFILE

A passionate Cane Officer with over one year of experience in sugarcane farming. Expertise in overseeing planting, harvesting, and processing activities to ensure high-quality yield and efficiency. Proven track record in implementing sustainable agricultural practices and improving crop productivity. Strong leadership and communication skills, with a commitment to maintaining safety and quality standards in all operations. Looking forward to a challenge where I can improve my skill set and contribute to the growth of the organization.
