Postgraduate in Agricultural Entomology with in-depth knowledge of insect biology, taxonomy, ecology, and integrated pest management (IPM). Experienced in designing and executing laboratory and field experiments, with a strong focus on conducting insecticidal and antifeedant bioassays for evaluating the efficacy of synthetic and botanical compounds. Skilled in biological control strategies, host-pest interaction studies, and sustainable crop protection approaches. Demonstrates strong research aptitude, scientific communication skills, and a commitment to advancing eco-friendly pest management solutions.

## EXPERIENCES

### Project Assistant (15 Months).

- GSP Crop Science Ltd. (5 Months).
- UPL Ltd. (10 Months).

### Commercial Flowers Production (6 Months).

### Organic Crop Booster Production (6 Months).

### Rural Horticultural Work Experience (3 Months).

### Commercial Oyster Mushroom Production (2 Years).

## PROJECTS & RESEARCH

Tissue Culture Mediated Secondary Metabolite Synthesis from *Momordica cymbalaria* Hook (Fenzl.) for Nanoformulation Development against *Spodoptera litura* Fab.

Evaluation of Various Plant Growth Regulators on Growth and Yield Performance of African Marigold (*Tagetes erecta* L.).

Evaluation of Various Plant Growth Regulators on Growth and Yield Performance of Tuberose (*Poilionthes tuberosa* L.).

## ● INTERNSHIP / TRAININGS

- Completed **Internship** Programme at **Regional Coffee Research Station** at Thandigudi, Tamil Nadu in 2022.
- Completed **One-month Industrial training** on Flower concrete extraction at **Floral Aromatics**.
- Attended **Training** program on **Oyster Mushroom Cultivation** at TNAU.
- Attended **One-day training** at **Amman Cold Storage** Unit.
- Completed a Value added course in **Aquaculture**.

## ● EXTRACURRICULAR ACTIVITIES

- Actively participated in a **Seven-days NSS Camp** at Poovani, Srivilliputtur during December 2021 and did various services to the rural peoples.

- Served as a member in **Foliage club** from 2021 to 2023.
- Participated in seminar on **“Mendelian Genetics of Apomixis”** organized by Kalasalingam School of Agriculture and Horticulture.
- Successfully completed **Physical fitness** training program.

## ● CONFERENCES

- Presented a oral paper on **“Callus culture based secondary metabolite synthesis and nanoformulation development of *Momordica cymbalaria* Hook (fenzl.) against *Spodoptera litura* Fab”**. In the international conference on Challenges and Opportunities for Soil Quality Crop Nutrition and Food Security conducted by, Department of Soil Science and Agricultural Chemistry, Faculty of Agriculture, Annamalai University, Chidambaram.
- Presented a poster on **“Sustainable pest management in rooftop gardening”** in the national conference on Recent Trends and Advances in Entomology conducted by, Entomology Research Institute, Loyola College, Chennai.

- Presented a poster on **“Sustainable pest management in urban farming”** in the international conference on Recent Advances in Horticulture Research conducted by, Amity University, Noida, Uttar Pradesh.
- Organized a national conference on **“Horticulture: Enhancing Productivity and Mitigating Major Challenges”** at Department of Horticulture, Kalasalingam School of Agriculture and Horticulture, Kalasalingam University, Srivilliputtur, Tamil Nadu.

## SKILLS

- **MS Office & Photoshop**
- **Pest Management**
- **Bio assay Studies**
- **Management Tactics**
- **Driving (MCWG & LMV)**
- **Research & Publications**
- **Field Survey**
- **Data analysis**
